EVENT QUALIFICATION

Competitors must be age 18 years or older as of the close of entries. Test levels as of January 13, 2017, will control eligibility for all events. Note: Competitors may enter an event at one higher level than their test-level eligibility, but may enter only one level in each discipline, e.g., may enter silver free skate and bronze pairs, but not bronze and silver free skate. The only exception is for Showcase events, where skaters may enter both Dramatic and Light Entertainment; however, if skaters choose to enter both, they must enter both at the same level.

AGE CATEGORIES

The Singles Free Skating and Showcase events will be divided into the following age categories:

Young Adult	18 - 20 years
Class I	21 - 35 years
Class II	36 - 45 years
Class III	46 - 55 years
Class IV	56 - 65 years
Class V	66 years and over

At the discretion of the Chief Referee, age categories or events may be combined to allow skaters the chance to compete. For events divided into groups, no final rounds will be skated.

JUDGING

Gold and Masters Singles Free Skating categories will be judged using the International Judging System (IJS). Where relevant, skaters must submit Planned Program Content online via Entryeeze. All other categories will be judged using the 6.0 system. However, if entries warrant, Pairs Free Skating may be judged using IJS. Pairs will be informed of the final judging system on the Club Website: www.lafsc.org.

AWARDS

Awards will be given for First, Second, Third and Fourth places for all Categories.

REGISTRATION

The registration desk will be in the lobby of the East West Ice Palace on the dates of the competition and will be manned commencing one hour prior to the start of the first event. All competitors should check in at the registration desk at least 45 minutes prior to their scheduled event. The official bulletin board will list any schedule changes or other information needed by competitors. Competitors should be ready to check in with the Ice Monitor 15 minutes before their event is scheduled to start. At the discretion of the Referee, events may begin before the scheduled time.

SCRATCHES

If you must withdraw from your event, please inform the Registrar and Registration desk immediately.

MUSIC

The Los Angeles Figure Skating Club music system will accommodate compact discs (CDs) only. For best results, we recommend that program music be recorded on Music Quality CDs. Additionally, CDs should be formatted so that music will begin to play immediately (no practice CDs for the competition, please). Bring at least one backup copy of your music.

COACHING

All coaches coaching during the competition or at practice sessions must be members of U.S. Figure Skating. Each coach must also be current with USFS Coaches' Registration Requirements, as well as the CER requirements of the Professional Skaters Association.

VIDEOTAPING AND PHOTOGRAPHY

Contractual commitments with our Videographer and Professional Photographer require that we limit all private videotaping and still photographs to your own skater. **Any spectator seen shooting either video or stills of a skater other than his/her own shall be removed from the arena.**

No flash photography is permitted in the arena at any time.

PRACTICE ICE

We hope to make practice ice available on the morning(s) of the competition prior to the first event; however, we have a limited amount of ice time. Availability of ice time for early-morning practice ice will be determined only after the close of entries and determination of the competition schedule by the Referee. As soon as the competition schedule is set, you will be notified via email about practice ice. If we are able to offer practice ice, all reservations will be made through Entryeeze.

If practice sessions are held, no music will be played. All practice ice sessions will be 30 minutes and limited to 22 competitors per session. Each session will cost \$15 when reserved in advance through Entryeeze; if space is available, walk-ons will cost \$20 per session. All entrants will receive a link to online registration for practice ice, if offered, as soon as the Referee determines the competition schedule. In addition, the Registrar will email all registered competitors on February 13 about the availability of walk-on space, but walk-on admission will be on a first-come, first-served basis on the morning(s) of the practice sessions.
