ReturnedCheckPolicy: There will be a \$25.00 returned check fee imposed for any returned check. LAFSC will promptly inform the check writer of the fact that their check has not cleared. Until a returned check is cleared, the skater's skating and Club privileges are suspended, including the ability to participate in Club testing and/or competitions. If after 10 days of the notification of the returned check elapses, and the check writer has not made good on the funds, including all bank fees, then this fact will be reported to all applicable agencies/clubs, including but not limited to the Southern California Inter-Club Association, US Figure Skating, and a letter will be sent to all area clubs advising them of the skater's suspended status with the Club. No letters of permission will be effective during this time. On the first instance of a returned check, the amount of the check, and the \$25.00 returned check fee must be submitted to the Club Treasurer by means of cash, cashier's check, or a money order. Following the second offense, the check writer/member will be on a cash-only basis for ten months, or until the end of the membership year, whichever is longer.
